Width : 29 cm
Height : 174 cm
Depth : 21,5 cm

Description

A master French wrought iron craftsman, Gilbert Poillerat spent eight years with Edgar Brandt, honing his talent. He distinguished himself with his arabesques and interlacing designs, which quickly became very popular. But he was also a decorator through his numerous collaborations, notably with J. Adnet, among others. This floor lamp, very representative of his innovative work for the time, is in good condition, despite some signs of wear and age.
