

## Gilded Wood Paneling, Featuring A Virgin And Child In

780 EUR

Period : 18th century

Condition : Bon état

Material : Gilded wood

Length : 18 cms

Height : 39 cms

### Description

A beautiful piece of gilded woodwork, retaining its original gilding, forming a niche with a very fine ivory Virgin and Child. The Virgin is in excellent condition, delicately carved, as is the wooden support, surmounted by a crown. A few small pieces are missing. Made in France?
