### Description

Pair of Candelabra. Magnificent pair of five-light candelabra with a white marble base and a gilt bronze body. The pyramidal base of white marble has concave sides and rounded ends, bordered with oak garlands at the base and ribboned finials cascading down three sides. It supports three brackets with projecting volutes at the base and oval volutes at the top, supporting a vase-shaped finial with laurel garlands, encircled by a row of six scrolls with leaves and volutes, plus three above with cascading flowers, and terminating in a flared and chased leaf finial bearing the chased vase-shaped candle holder with channels, a beaded crystal cup, and wax candles. A central candle holder rests on a double chased finial.
