Description

Movement: Nabi; tends towards Cubism. Date of creation: 1918-1920. Location : Ornans, Doubs. Signature: worn at the bottom right of the work, Mr.Hirt. Marthe Hirt was a student of Maurice Denis, Paul Serusier and Edouard Vuillard. The reference to the Talisman of Sérusier is subliminal. Trace of an old restoration, see photo. A restoration would have been entirely conceivable, but not carried out for the sake of preserving the work in its strict original state. The Mont des Arts Gallery intervenes only very exceptionally on works requiring restoration and this, in order to ensure total transparency as to the piece proposed to its future customers always anxious to involve their usual restorers. A video of the work can be sent, on request. Provenance: -Le Mont des Arts Gallery, Dommartemont,
