Description

White ceramic lamp base decorated with Inca birds. 1950s/70s. There are some minor imperfections on the base, as you can see in the photos. This lamp base bears a number and a monogram which I believe belongs to Urbano Zuccagnini, an Italian ceramicist of the 20th century. Not being particularly familiar with this artist's work, I attribute it to him based on what I have found in the signature. Height of the ceramic alone: 32 cm. Height to the top of the bulb holder: 42 cm. Price: EUR230. Worldwide shipping in very good packaging.
