Pair Of Footed Liqueur Decanters With Silver Handles And Mounts On A Silver-plated Metal Tray

580 EUR

Period : 19th century
Condition : Bon état
Length : plateau : 31 cm
Width : plateau : 23 cm
Diameter : carafes : 10 cm
Height : 27,5 cm

Description

This pair of flared, twisted-carved decanters rests on pedestals topped with a foliate band, mirroring the solid silver necks hallmarked with the Minerva mark. Both retain their original silver stoppers, also decorated with foliage, and rest on their silver-plated trays, which, unlike the decanters, show signs of wear.
