### Description

Napoleon III style walnut table from the late 19th century, restored in our workshop and in perfect condition. I am a cabinetmaker, a graduate of the École Boulle, with 33 years of experience. It opens easily with its six extensions, measuring 146 cm by 50 cm, seating 20. The extensions have been remade and finished with a satin varnish, fitting together perfectly. The walnut base is in good condition; small feet unfold when the table is opened. The top has a stain-resistant satin varnish and can be wiped with a sponge.
