Description

Spiral Staircase - A Masterpiece, Varnished Wood & Lacquered Ribbon. This elegant spiral staircase, crafted with great precision, evokes true artistry. The structure, sculpted in a continuous curve, is punctuated by finely fitted wooden steps, offering a superb interplay of lines and perspective. The lacquered ribbon railing (burgundy hue) emphasizes the dynamism of the form and adds a highly decorative presence. Both an architectural and sculptural object, this piece immediately draws the eye: ideal as a decorative piece on a desk, bookcase, or console table, it integrates perfectly into a classic, contemporary, or Art Deco interior. France, Circa 1920
