

Large Antique Mirror In Gilt Metal, 19th Century

1 300 EUR

Period : 19th century

Condition : Bon état

Material : Metal

Width : 90

Height : 189

Description

Important antique wall mirror in finely crafted and gilded metal. The richly openwork pediment features a decoration of scrolls, foliage, and ornamental motifs characteristic of the 19th century. The gilded metal frame is distinguished by the delicacy of its decoration and its beautiful original patina, lending elegance and character to the whole. Thanks to its large size, this mirror is ideal for structuring a space and visually enlarging a room. Dimensions: total height 186 cm, width 90 cm. Height without crown: 146 cm. Period: 19th century. Material: gilded metal. Glass: in good overall condition. Condition: good overall condition, with slight wear and patina consistent with age. Delivery available in France and internationally. Carefully packaged.
