Description

Large Dutch candlestick, made from folded and rolled brass, decorated with engraving and repoussé work, a 17th-century model documented in historical records. This candlestick is larger than other early Dutch models; it is a wedding candlestick, 18th or early 19th century, typical of folk art from Frisian Islands in north. In beautiful, flawless condition, it has seen little use, with only a slight deformation on stem. Dimensions: 27cm H x 22cm D. Weight: 1.050kg.
