

## Blue And White Crystal Sulphide Paperweight With Cut Corners

350 EUR

Period : 20th century

Condition : Etat d'usage

Material : Crystal

Diameter : 7 cm

Height : 6 cm

### Description

This crystal paperweight likely comes from the Saint-Louis company but is unsigned. Regarding its condition, there are minor signs of wear and tiny chips underneath, barely visible (as seen in the photos). Our photos allow you to appreciate the quality of this paperweight. Please examine the photos carefully. Feel free to zoom in. The photos are an integral part of the description.

Dimensions: Height: 6 cm Diameter: 7 cm Base diameter: 5.8 cm M3568
