

Antique Sleeping Diamond Birds

1 500 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

For pierced ears. Antique sleeper earrings crafted in vibrant rose gold and featuring a lozenge shape. Each earring depicts a finely chiseled swallow set with small rose-cut diamonds. The fastening is a hinged style, threading through the front. Period: 20th century. Main material: 18k rose gold (750/1000). Proportions: Height: 16.5 mm, width: approximately 11.3 mm, thickness: approximately 2.1 mm. Net weight: approximately 2.5 g. Authentic antique jewelry - early 20th-century work. Our opinion: In very good condition, these sleeper earrings will become your new favorites. To learn moreDiscover the product page for these antique diamond-set bird sleeper earrings online.
