Description

Oil on canvas, "The Holy Women at the Tomb of Jesus Christ," signed and annotated on the left, on the tombstone, "Mlle Firino after Galimard."
Countersigned and titled on the back of the stretcher, "The Holy Women at the Tomb of JC. The original painting by Mr. Galimard..." French School. 16.5 x 22 cm. Sophie Firino (19th century). Yet another female painter whose talent was scorned by the patriarchy prevalent in past centuries. But let's not rewrite history too hastily with our modern eyes; is not the Mother of God a saint among saints? Original gilt wood and stucco frame. A small, old restoration to the angels' wings. 480 euros.
