

Mid-19th Century Pair Of Alabaster Vases

350 EUR

Period : 19th century

Condition : Bon état

Material : Alabaster

Diameter : 15

Height : 49

Description

Refined pair of alabaster vases from Volterra. The vases are amphora-shaped, with a floral-inspired molded rim, as is the body. Roses are also featured on the front of the body, enriching the decoration. There are some small losses and cracks. This pair of vases exudes great taste and refinement, capable of furnishing any space with class. Tuscan manufacture, mid-19th century.

Dimensions: H x DM 49 x 15cm
