Rambervillers Plate With Rooster - 19th Century

60 EUR

Period : 19th century

Condition : Restauré

Material : Earthenware

Diameter : 23 cm

Description

Rambervillers plate with a rooster motif - 19th century. High-fired plate with a rooster on a fence. The manganese stem of the wing branches is the hallmark of this manufacturer (for Les Auges, the stem is green). It has undergone restoration: a large crack has been concealed and peripheral enamel chips have been repaired.
Diameter 23 cm
