Description

This magnificent rug has undergone a deep cleaning, lining, and meticulous inspection by our experts in our artisan workshop. It is now ready to grace your home. This living room rug is entirely handmade in France. It embodies an oriental minimalism inspired by the Berber spirit. Its soft, uniform, powdery pink background highlights discreet hand-woven geometric patterns, including a central diamond and small scattered symbols reminiscent of the ancestral codes of Moroccan rugs. The refined composition allows the material to take center stage and underscores the artisanal expertise, perceptible in the slight irregularities of the weave, true marks of authenticity. The subtle balance between tradition and modernity gives this rug a presence that is at once warm, graphic, and contemporary.
