Description

A seascape depicting a port scene. Material: oil on panel, excellent quality, with beautiful colors. Its boats and ochre and orange sails are reflected in the water, in front of an ancient building animated by characters depicting scenes of everyday life.The work is signed lower left: Manara, an Italian painter from the first half of the 20th century.The panel is particularly rich and warm. The painter has succeeded in creating a true, luminous atmosphere, attentive to detail, with his beautiful play of light on the rippling water.Measures 57 x 47 cm
