### Description

Large Mythological Bronze: The Abduction of Deianira by the Centaur Nessus, Signed Giuseppe Ferrari (1844-1898). Important mythological bronze depicting the abduction of Deianira by the centaur Nessus. A bronze in motion, note the quality of the sculpture, balanced and dynamic. The centaur Nessus is presented rearing up and rests only on his hind legs while carrying the struggling Deianira in his arms. The details are superb in the quality of the chiseling; look closely at the hair on the centaur's chest and back. Beautiful brown patina. Signed G. Ferrari on the base for Giuseppe Ferrari, an American sculptor born in Italy in 1844 and died in 1898. Please note the considerable weight. A spectacular and rare mythological bronze. Dimensions: 36 cm long x 38 cm high x approximately 23 cm deep.
