650 EUR

Period : 18th century

Condition : Bon état

Material : Solid wood

Width : 48 cm avec ses ailes

Height : 38 cm

Description

18th Century Angel with a Tuft and Scroll: An 18th-century linden wood angel with a scroll, wearing a tuft on its forehead. A large angel with a scroll, carved from 18th-century linden wood, formerly gilded. One wing has been replaced. There are some missing pieces, including one foot, easily visible in the photos. This angel is designed to be mounted on a wall. A very beautiful antique angel; particular care has been taken in the carving of the hair and face. Dimensions: 38 cm high x 48 cm wide x 8 cm deep. We deliver and ship worldwide; please contact us for a precise quote.
