Depth : 50

Description

Beautiful console table, dressing table, or small desk, dating from the 1970s/80s, attributed to JC Mahey or W. Rizzo, veneered in elm burl with a thick, period polyester varnish and stainless steel trim. Everything is original and in good condition, both aesthetically and functionally. There are very discreet micro-scratches from use, but they are nothing unsightly and not deep. It can be completely disassembled for transport. Collection in person is preferred, or worldwide shipping is available. It will be shipped disassembled in very good packaging (very easy to reassemble!). Polystyrene sheets and bubble wrap will be placed between each element, and a sheet of plywood will be used for protection. Dimensions: Length 100 cm, Height 66 cm, Depth 50 cm, Weight approximately 40 kg
