

Pair Of Gilt Bronze Candelabra

1 200 EUR

Period : 20th century

Condition : Bon état

Material : Bronze

Description

A very large pair of gilt bronze candelabra, richly decorated with crystal drops, fitted with six electrified lights surrounding a gilt metal cage. At the center of the cage is a beautiful crystal dagger, and the cage also terminates with a second crystal dagger. The pair is in very good condition overall, with original wiring. Origin: France. Circa 1900. Height: 62 cm. Diameter: 35 cm.
