Description

Pair of large, organically shaped lamps from the 1960s/70s. A very beautiful, elegant, and generously sized pair, 66 cm high. Their elegant and flowing organic, plant-like form features six candle holders or lights in a lovely, natural, and slender arrangement. They have a beautiful overall patina, with a slight pitting on one of the bases. They reflect the light magnificently. This uncommon pair will make a striking decorative statement, adding a touch of symmetry to a table or large piece of furniture. Shipping is available within France and worldwide via secure, insured package with order tracking. Invoice and certificate of authenticity are provided. Collection is also possible at Mas d'Avalrich, Montéscot 66200, or at my stand at the Montpellier Cipolat flea market, held every two months on the market
