Description

A very pretty pair of Limoges porcelain vases in the Empire-Restoration style. Against a light blue background, each vase is decorated with three bouquets of flowers: one on the foot, the second on the neck, and the third within a reserve on a white background, bordered by a gilt wreath. The two swan-neck handles are highlighted with fine gold. Our vases are ovoid in shape and bear the decorator's signature under the base. Beautifully crafted from the late 19th century. The decoration is hand-painted in certain areas. Dimensions: height 36 cm. Shipping and handling: EUR30 within mainland France; please contact us for other destinations.
