

## 19th Century Chinese Bronze And Porcelain Bowl

300 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 23 cm

Height : 20 cm

### Description

Magnificent bronze and porcelain bowl. The tray is decorated with porcelain, featuring birds, flowers, and butterflies in an Asian style. The mount is gilt bronze, highly ornate. The base is stable and decorative, typical of 19th-century ornamental objects. Shipping throughout France with insurance is EUR15. Please feel free to contact me for more information to make an informed purchase.
