Description

A beautiful gondola-shaped bergère armchair in the Louis XV style, crafted from waxed and molded natural wood. It rests on four cabriole legs ending in scrolls. The armrest supports are in line with the two front legs, and the armrests are upholstered with cuffs. The upholstery is in good condition, relatively recent, and very comfortable. The fabric is also in good condition; however, it should be noted that the fabric is very slightly faded on the two armrest cuffs and has a tiny pulled thread on the cuff trim. It is finished with a very attractive double braid trim. The cushion is filled with feathers, ensuring great comfort. The cover is also removable. A fine example of early 20th-century craftsmanship. Dimensions: back height 88 cm // seat height 40 cm // width 71 cm // depth 73 cm. For shipping costs by carrier,
