Description

The Crucifixion with the Virgin and Saint John
Oil on panel.
Presented in a 19th-century Sicilian frame with faux tortoiseshell decoration.

Devotional depiction of the Crucifixion, Christ on the cross flanked by the Virgin and Saint John, with the skull of Adam at the foot of the cross and an architectural landscape in the background. The composition follows models from the Italian Renaissance, rendered in an archaizing manner characteristic of southern Italian workshops of the period.
