Description

Humorous polished metal animal sculpture. A young kitten perched on the paws of a reclining sheepdog, playfully nudging the dog's nose. The dog watches impassively. The kitten is playfully teasing a much larger dog, who doesn't seem particularly intimidated and instead observes the kitten with curiosity and tolerance (play among small animals is often a way to learn to hunt or defend themselves). The piece is in good condition; without a base, it can be displayed more easily. Shipping is available: carefully packaged and reinforced, sent by registered mail with signature confirmation, insurance, and online tracking (shipping costs apply).
