Description

Turkish Kilim Rug: 1.00 x 1.55 Meters -
Handmade in Wool. Entirely handwoven using traditional Anatolian techniques, this authentic piece is distinguished by its rich geometric patterns and warm, balanced color palette. This kilim features a structured diamond pattern, stylized symbolic motifs characteristic of nomadic Turkish weaving. Deep red, green, blue, and ivory tones are harmoniously combined and retain a beautiful intensity, attesting to the quality of the wool and dyes used. Supple and durable, these kilims are made of natural wool, offering both strength and lightness. They can be used as rugs, bedside runners, wall hangings, or decorative elements, alone or in combination. ?
