

## Dark Interior With Cat At An Arched Window

500 EUR

Signature : Signé

Period : 19th century

Condition : Très bon état

Material : Oil painting on cardboard

Length : 34

Width : 24

### Description

This atmospheric oil on cardboard painting depicts a dark, intimate interior. The composition is centered around a double arched window looking out onto a bright, seemingly snow-covered or frosted garden, creating a dramatic contrast of light and shadow. On the window ledge, a cat sits with its back to the viewer, gazing out at the landscape. The cool light from the window softly defines the shapes of the furniture in the dimly lit room.
