Description

Refined and
unique hand-forged wrought iron candle holder.
In the past, it was used as a
"walking candle holder" for moving between
rooms in the house, thanks
to its practical base that also served as a wax
collector. The object is
distinguished by a ring that supports and holds
the candle, enriched with
curved and spiral decorations that enhance its
elegance. This is a classy
object, capable of lending a touch of antiquity and
refinement to any room.
Tuscan manufacture, from the Renaissance
period, around the end of the 16th
century.
Dimensions: H x W x D 19.5 x 10 x 9cm
