

Nevers 18th Century Goat - Collection

2 500 EUR

Period : 18th century

Condition : Bon état

Material : Earthenware

Description

Important collection of 18th-century goat figurines from Nevers, originating from a pharmacy in the Baugé region (49). The owners and their descendants carefully preserved these figurines within the family for many years. The collection is very homogeneous, with sizes ranging from 18 to 23 cm. Each one is decorated in shades of blue with leafy palm fronds, some adorned with ochre and yellow flowers.
