

3 Delftware Tiles, 18th Century

125 EUR

Period : 18th century

Condition : Bon état

Material : Earthenware

Description

Set of three Delftware tiles, late 18th/early 19th century. Depicting lively bucolic countryside scenes. Manganese violet color. Good condition except for a small chip on one. I chose not to remove the frames, which date from the late 19th century. Framed dimensions: 16.5 cm
