Large 14th Century Appeldorn Castle Brick With Human Fingerprints

150 EUR

Period : Before 16th century

Condition : Très bon état

Material : Terracotta

Width : dimensions : 29 x 13,5x 7 cm.

Description

A unique piece! Appeldorn Castle was located between Calcar and Xanten (Germany). The fingerprints were made just before firing. At the time, it was a ruined castle. It has since been restored. Dimensions: 29 x 13.5 x 7 cm. Found on site in May 1977. Very heavy piece!
