Description

Another superb piece with a floral design created by Paul Yvin/Yvain (1919-2007) at Keraluc. Here we have a rather unusual piece in terms of form: a very large and wide vase with three handles. It's the first time in 30 years that I've seen a piece of this shape... Beautiful polychrome enamels. A unique piece, signed and dated 1958 on the back. 29 cm high x 29 cm in diameter x 32 cm at its widest point including the handle. In very good condition.
