

Ancient Mask From Timor - Indonesia, Timor

530 EUR

Period : 20th century

Condition : Bon état

Material : Solid wood

Description

Ancient mask from Timor - Indonesia, Timor.
The use and meaning of this type of mask remain uncertain and poorly documented. However, most accounts gathered locally suggest that these masks played a role in war ceremonies and were worn during ritual dances. Lightweight wooden mask with a black patina. Hair depicted as animal mane hair. Bone teeth. Sold unmounted. Weight 450g. 24.5cm x 19cm
