

Baudin Paris Automaton Clock 1815

2 800 EUR

Signature : Baudin à PARIS

Period : 19th century

Condition : Très bon état

Material : Bronze

Height : 40

Description

Late Empire period clock, 1815, Baudin in Paris, clockmaker listed in Tardy (see photo no. 12). Subject representing the soap bubble blower, all attributes are present and original. Wire movement serviced by clockmaker with pendulum and key, a butterfly automaton system linked to the escapement anchor causing the butterfly to oscillate from left to right in time with the ticking. (Video available upon request). Mercury-gilt bronze clock, shells and antique-style basin, superb frieze, Cupid holding a torch, reclining on a garland of flowers carried by two magnificent butterflies. A rare model, complete with all original and period details; this clock exudes great sensitivity. Height 40 cm / Base 27 x 10 cm. UPS delivery:
