Louis XVI Period Embroidery Case

2 200 EUR

Period : 18th century

Condition : Très bon état

Description

A low-grade gold case, retested with the crab test. It includes a pair of scissors, a file-forming pliers, and a flexible awl. The pointed scissors were intended for embroidery. The clasps and rings are honeycomb-shaped and marked inside with the letter K, the maker's mark, and the letter S on the blades, an old assembly mark. The steel pliers have two gold discs, also serve as a file, and end in a hook. The sheath is entirely enameled in turquoise blue. It features garlands of gold and silver flowers and is decorated with the words "Souvenir d'Amitié" (Memory of Friendship) and a flower-filled vase. Dimensions: Sheath: 9 cm; Scissors: 11 cm; Pliers: 7 cm; Blade: 6 cm; Total height: 12.5 cm. Late 18th-century work in very good condition. Minor wear consistent with age.
