### Description

Achille Blot, Desvres Period (1900-1905). Breton Peasant Couple. Two large ceramic and glazed terracotta pieces from the Desvres factory, circa 1900-1905. This large pair of Desvres earthenware pieces depicts a Breton couple. The man is dressed in his traditional costume, and the elderly woman carries a large bundle of wood. Excellent condition with a superb glaze that plays with the light like enamels. Signed on the base and impressed marks inside. Very good overall condition. Beautiful examples of large earthenware figures for lovers of Breton art. Dimensions: 43 cm and 38 cm. We deliver and ship worldwide; please contact us for a precise quote.
