Description

A folio volume (43 x 58 cm) containing the Greek iconography of 1811 followed by the Roman iconography of 1817. Both works are complete with all their plates, totaling 132. Bound in calfskin, with a restored spine, by a professional bookbinder. The book shows some foxing and dampstaining at the bottom of the pages in the volume of Roman iconography. A good copy overall. A rare work. For any further information, please contact us. Thank you.
