

Cow And Her Calf In Alabaster After Pj Mêne, Late 19th Century

1 850 EUR

Period : 19th century

Condition : Bon état

Material : Alabaster

Length : 32 cm

Width : 23,5 cm

Description

Large alabaster group depicting a cow and her calf, late 19th century. This group, after Pierre-Jules Mêne (1810-1879), represents a cow on the hoof licking her calf as it nurses. Beautifully sculpted, the details are striking and highly realistic. Presented on a chamfered base. A quality piece, with some minor damage to the cow's ears and horns.
