

Solid Wood Storage/workshop Cabinet With Polychrome Doors, 1960s/1970s

500 EUR

Period : 20th century

Condition : Etat d'usage

Length : 112,5cm

Height : 97cm

Depth : 43,5cm

Description

Light wood storage unit with eight compartments closed by polychrome doors in colors typical of the 1960s and 70s. Its clean, functional lines evoke workshop or institutional furniture, where color adds a strong graphic character. Features include round wooden knobs, a robust structure, and a beautiful patina from use. A decorative and practical piece, ideal as workshop furniture, storage, a low sideboard, or in a contemporary interior.
