Art Deco Period Ceramic Vase With Stylized Rose Motifs

390 EUR

Period : 20th century

Condition : Très bon état

Material : Ceramic

Diameter : 15 cm (5,5 cm au col)

Height : 23 cm

Description

A truncated conical ceramic vase, circa 1920. A stylized rose motif, typical of the Art Deco movement, runs along the center of the vase's body. Geometric patterns frame the floral decoration. A beautiful harmony of green and purple hues is achieved under a crackled glaze. The spontaneous execution of the design lends the piece a great deal of life. Drips, blended colors, and the choice of an original decoration give this vase a vibrant character.
