

Antique Collectible Metal Toy - Miniature Iron With Rooster Decoration, Circa 1930

65 EUR

Period : 20th century

Condition : Etat d'usage

Material : Metal

Length : 6

Width : 11

Height : 9

Description

Vintage miniature stamped metal toy, representing an iron decorated with a rooster, circa 1930-1940. This model is distinguished by its hand-painted decoration: a brightly colored rooster, an iconic symbol of France, proudly perched atop the iron. The paintwork is well-preserved with a beautiful patina, making it a collectible item for an original and nostalgic decoration. 7 pieces available - Various colors.
