Description

A Beautiful Set of 4 French Louis XV Upholstered Fauteuil ArmchairsThis stunning and sturdy set of four 19th-century French upholstered armchair armchairs is a superb example of the Louis Each armchair features a wonderfully sinuous wooden frame with a generous wide seat, a flat back, and open, padded armrests for added comfort. The crest rail and apron are deeply carved in high relief with delicate flowers and leafy foliage, while the elegant feet are finished with a single acanthus leaf, a classic Louis XV detail. The antique wooden frames, darkened by a rich, time-worn patina, are beautifully offset by the updated velveteen upholstery in a bold and vibrant palette of blue, red, and green, bringing a fresh contemporary touch to a truly classic form.
