

Louis XIII Style Oratory, Lectern And Writing Desk, Circa 1830

680 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Description

A small oratory-style cabinet made of solid fruitwood, which can also be used as a lectern. It rests on a base forming a small chest. The upper part of the cabinet forms a lectern/writing surface. It has a sloping top, the drop-leaf of which reveals a small storage compartment. This piece is a beautiful early 19th-century fruitwood creation. Dimensions: height (cm), width (cm)
