Quinton (1892-1969) An artist appreciated for the subtlety of his vision and the gentleness of his palette, Edmond Quinton established himself as one of the most sensitive painters of the Marne Valley. Heir to a family tradition--his father, Clément Quinton, was himself a renowned painter--he developed a luminous, instantly recognizable style in which nature plays a central

role. His landscapes, often bathed in soft light, captivate with their peaceful atmosphere and timeless elegance. A member of the Société des Artistes Français, the Salon d'Hiver, and the Salon des Indépendants, Quinton received regular awards, which helped solidify his reputation among collectors. Today, his works are sought after for their decorative charm, their sincerity, and their ability to capture the spirit of the French countryside at the beginning of the 20th century. They represent a sound choice for lovers of poetic landscapes and collectors seeking authentic and accessible works.
