2 Shantou Pewter Chinese Teapots

80 EUR

Period : 20th century

Condition : Bon état

Height : 31 cm

Description

I am offering two Shantou pewter teapots. One is large and in very good condition, featuring six scenes under glass depicting sages, scholars, and everyday life. This teapot, 31 cm tall, is shaped like a traditional oriental ewer. The smaller teapot is 20 cm tall and in fair condition, as one of the glass panes are cracked. It is therefore offered free with the purchase of the larger one.
