Description

Napoleon III Period Oval Coffee Table - 19th Century. This elegant oval coffee table, dating from the Napoleon III period (mid-19th century), is crafted from finely inlaid precious wood with a geometric design and rests on four tapered legs. The tabletop, encircled by an openwork gallery of gilt brass, displays a beautiful antique patina. The apron is adorned with finely chased gilt bronze mounts, including keyhole escutcheons and foot caps, characteristic of the decorative style of the Napoleon III period. The table features a discreet and functional drawer in the apron. An oval stretcher at the bottom completes the piece, providing stability and elegance. A refined piece of furniture, ideal as a coffee table or side table, representative of 19th-century French craftsmanship. Dimensions: Height: 87 cm
