Antique oil painting on canvas depicting the bust of a cardinal from the second half of the 18th century. The figure depicts a holy bishop, identifiable by his iconographic attributes. The subject is depicted half-length, with a solemn pose, yet composed according to a traditional devotional style. The figure stands out clearly from the background thanks to the chiaroscuro contrast; the drawing is precise, softened by soft contours. General Condition: Good. Origin: Lombardy, 18th century.
