

## Large Antique Wall Mirror In Carved And Gilded Wood - Baroque Style - Late 19th / Early 20th Century

2 100 EUR

Period : 19th century

Condition : Bon état

Material : Gilded wood

### Description

Important antique wall mirror, crafted from carved pine wood, stuccoed and gilded with gold leaf. The frame features a rich Baroque decoration composed of scrolls, foliage, and plant motifs, executed in openwork carving, offering strong relief and a highly decorative play of light. The mirror is surmounted by a carved finial, slightly projecting and inclined forward, accentuating the monumental character of the whole. Beautiful antique patina, with wear consistent with age and use. Through its technique, materials, and style, this mirror reflects the artisanal tradition of the late 19th and early 20th centuries. A striking wall piece, ideal for a classic or decorative interior. Dimensions: Height 140 cm × Width 115 cm × Depth 15 cm
